****Seniors rank the importance of the jobs they want done from 1-5 with 1 being the most important.** These items include: picking up sticks, washing outside windows, sweeping sidewalks, trimming shrubs, weeding, raking leaves, cleaning gutters, and other general maintenance items they want done. We would like to have the volunteers do what they can at each house within an hour. The ranking system will help make sure most seniors are taken care of and the volunteers won't get burned out at the first house.

If you are being organized into groups (such as youth group, organizational group, or school group) please make sure the name of the team is listed on the first page of this application. Individuals can **email, mail, fax or drop off their registrations by Friday, April 3, 2023 to:**
