## RASKALS - Vallejo

RASKALS (Random Acts of Simple Kindness Affecting Local Seniors) is a program that was started in West Chester Township, Ohio. It matches volunteers of all ages with older adults to help with the yard work and outside chores that they cannot do themselves.

In April and November, the City of Vallejo Volunteer Program will send RASKALS volunteers to the homes of older adults (age 55 and over, or disabled) who lives in Vallejo. Volunteers will provide, free of charge, the following tasks:

Picking up sticks, washing 1<sup>st</sup> floor outside windows, raking leaves, sweeping sidewalks, trimming shrubs, weeding, and other general outside maintenance chores you may need done. **Please rank the items in order of importance from 1 to 5, with 1 being the most important. The volunteers are assigned to a client for approximately one (1) hour. This allows them to move on to the next client.**

**\*\*As a thank you, you can make a donation of new food items or write a check out to Faith Food Fridays. Make sure food items donated have not expired.**

Please complete the form on the back of this sheet if you are requesting help and return to:

Volunteer Coordinator  
City of Vallejo  
555 Santa Clara St.  
Vallejo, CA 94590
